

Gos Rudolf duođaid bohtá?

Doivot go don maid ahte Rudolf bohtá Davvipolas, nu mo Juovlanigá? Vuoi vuoi, de gal don it ge leat gullán dán juovlaipmaša.

Oktii hui dološ áiggi, dalle go jahki lei 1926. Dalle lei vuosttaš geardde go olbmot oidne Juovlanigá ja su hearggi Amerihkás. Juovlanigá lei gávdnan olbmáid geain ledje hearggit.

Mo dát dáhpáhuvai? Ollu ovdal go Juovlanigá gávnnai dáid su olbmáid, de ledje soames sápmelaččat vuolgán Alaskai bohccuiguin. Sii áigo inuihtaide oahpahit mo galgá bargat bohccuiguin.

Go ledje oanehaš leamaš Alaskas, de fuobmáiga vieljažagat Carl ja Alfred Lomen ahte sápmelaččat sáhtte čájehit bohccuid olbmuide, ja seammás vuovdit dan njálgga bierggu maid oaččui go njuovai bohccuid.

Lei juovlamánnu go Carl ja Alfred dán fuobmáiga, ja álggiiga jurddahit maid vel sáhtášii bargat?

“Gula Alfred, seammát Juovlanigá vuolgá sápmelaččaid mielde gávpogii?” jearralii Carl iežas vielljas.

“Juo, ja iigo son sáhtášii addit veahá bierggu vel olbmuide?” Alfred vástidii.

Nu soai bijaiga Juovlanigá čohkkát ovtta hearggerehkii mas ledje vel dievva skeaŋkkat. Sápmelaččat galge vázzit gávpoga čađa ja láidet herggiid, maŋemus hearggis lei reahka gos Juovlanigá čohkkádii.

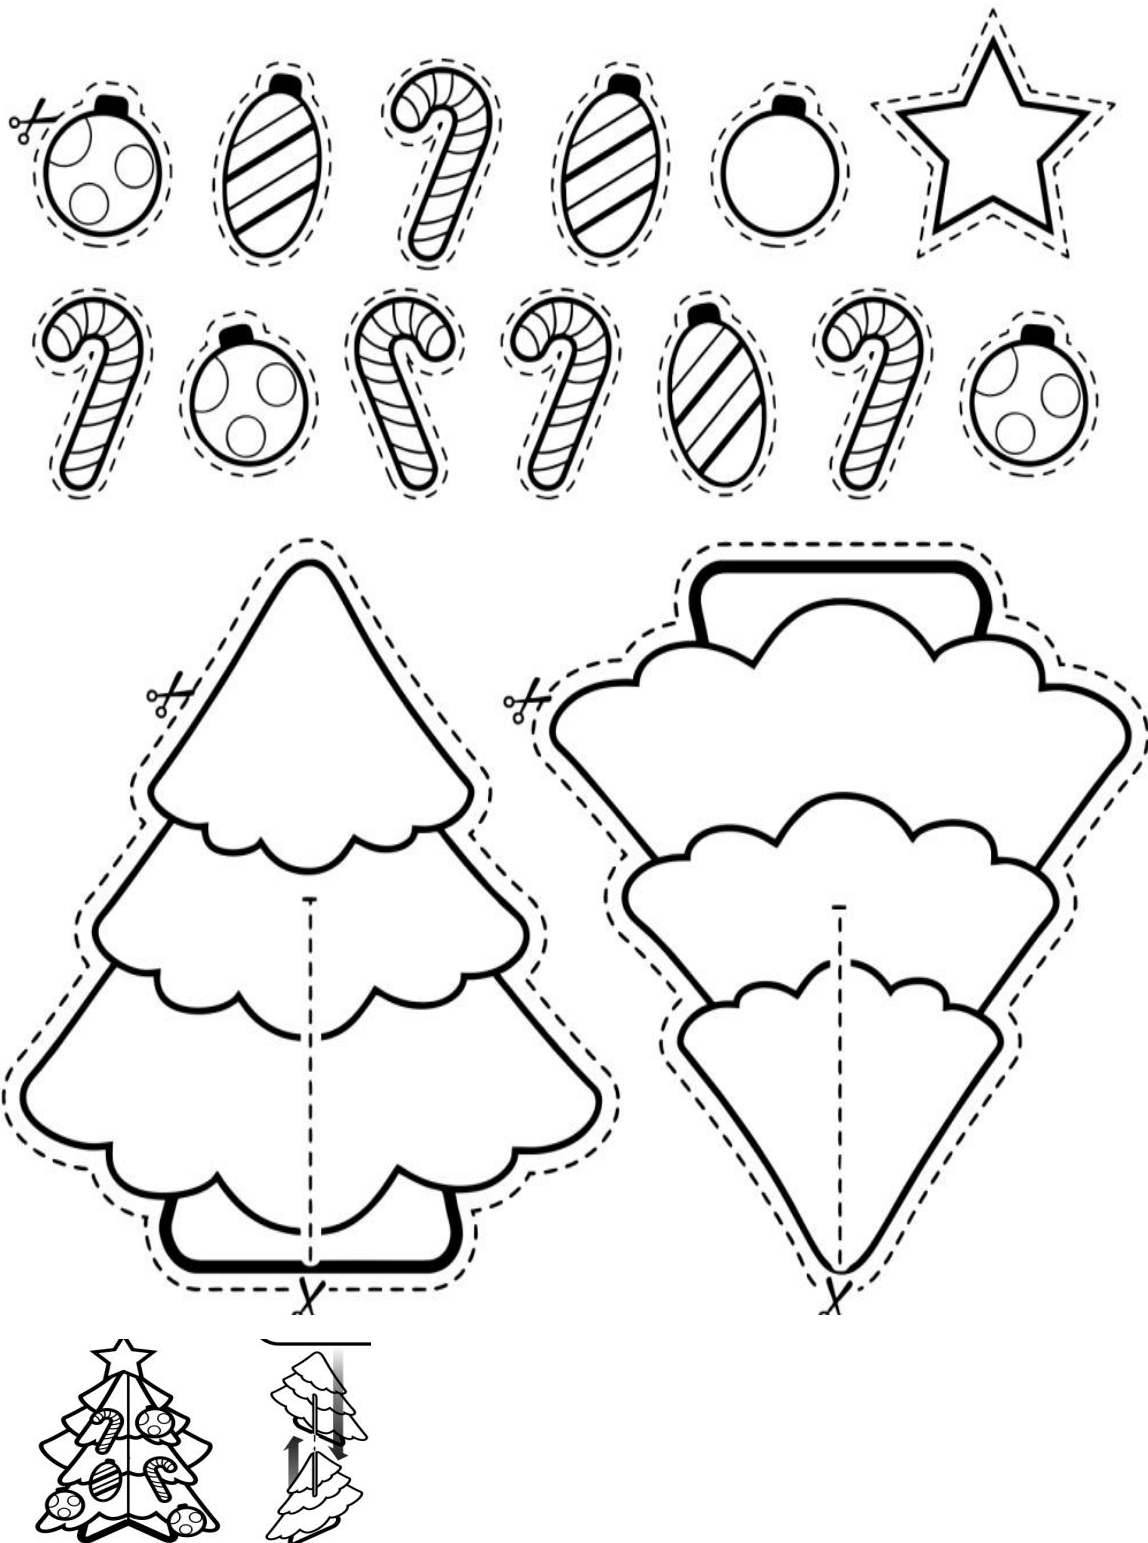

Olbmot spežžo gieđaid ja ledje duođaid liikostan sápmelaččaide, muhto buot eanemus liikojedje go Juovlanigás lei nie čáppa ealli. Sii eai lean ovdal oaidnán diekkár čáppa elliid.

“We have to tell this to everyone!” logai okta nissonolmmoš iežas olbmáide.

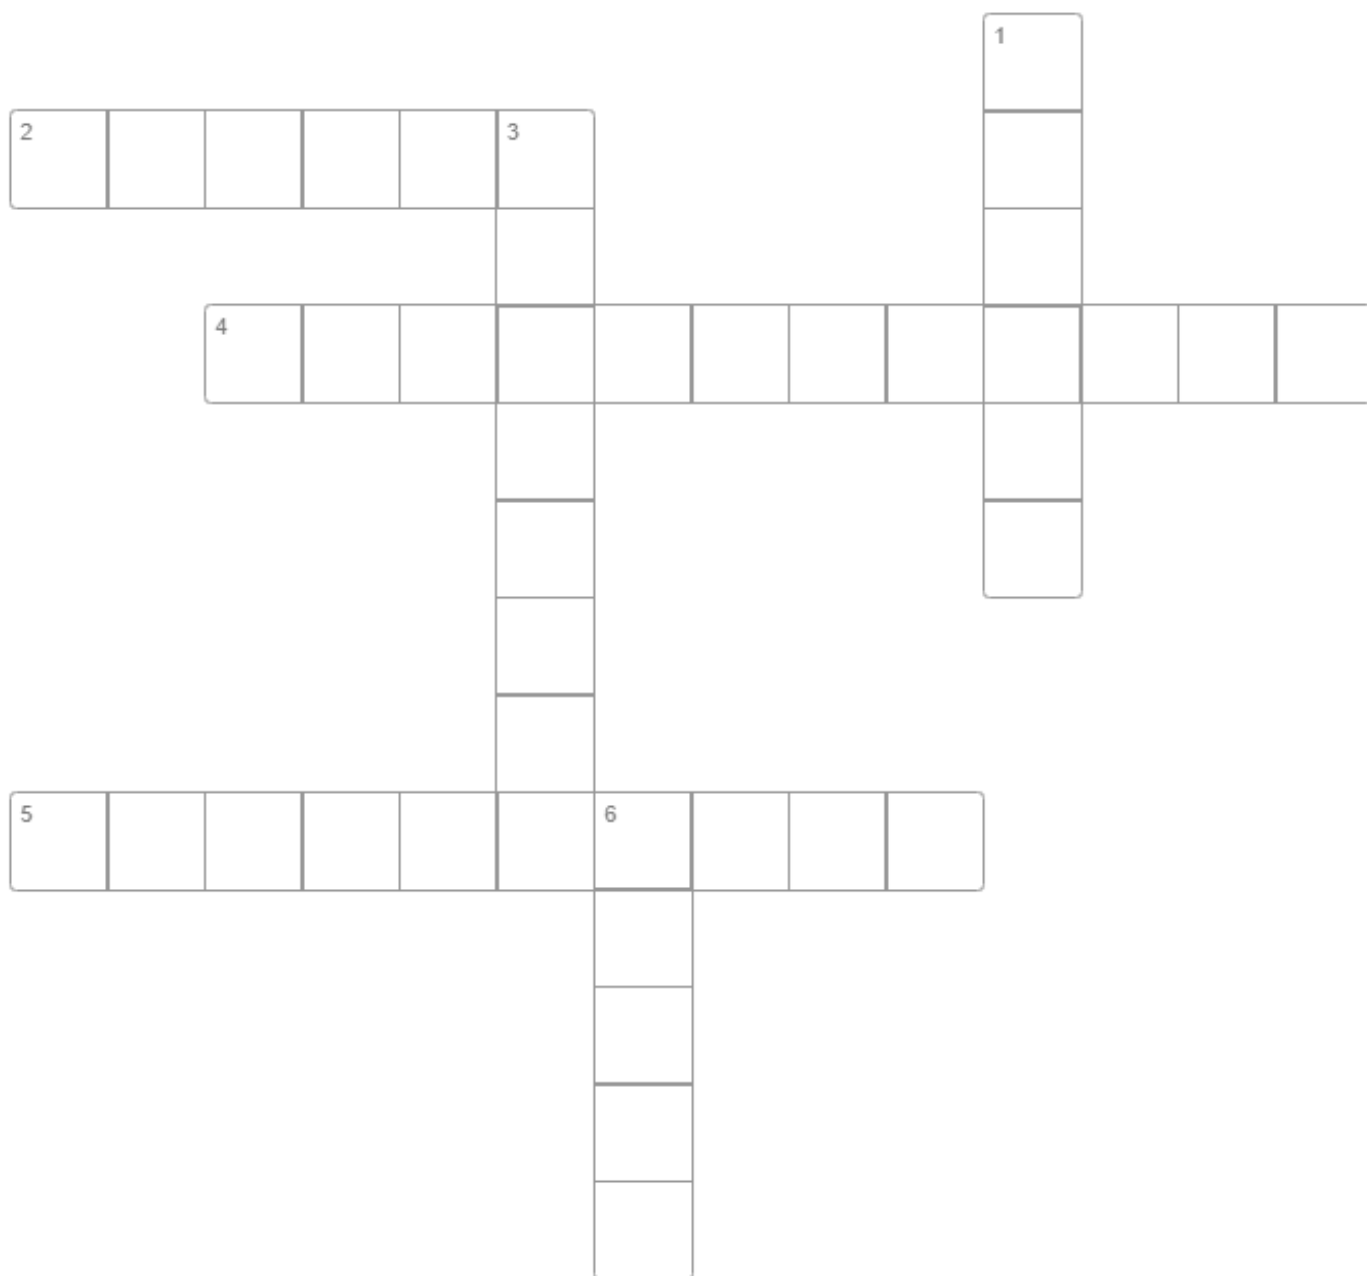

“I really would like to have Santa Claus and his reindeer everywhere!” Soames eará huikkii.

“I think the reindeer has to be named Rudolf!” okta mánná dajai Juovlanigái.

Dás dat álggii Juovlanigá ja heargeráiddu mitalus. Juovlanigá válddii herggiid mielde Davvipolii ja hárjehallagođii singuin girdit. Dan eat dieđe otná beivvi ge vuos, mo son máhtii bohccuid oahpahit girdit.
